My focus is to strip all attention out of any interests
or distractions Focus only on the intended target.

Perceive, describe, sketch only useful data.
to provide the intention of the target.

I would like that my C, my subC, my higher level
and my body, to work together to strip out the
attention a lone mental level.

SUMMARY

The target is or has elements of land, man-made, water, energy ~~object~~, natural

The target seems to be an object to admire, in an area outside and inside. It seems nice to see, to touch, to play with.

The main word from the target is or has elements of

- Subby
- Watery
- cold
- outside
- found
- retrieved
- triangular
- pyramidal
- pointy
- Sharp
- standing
- glossy
- smooth
- hard

shiny

polished

transparent

slue

rectangles

metallic

covered
and cover.
